REACH Statement, RFID Inlays

Certificate of Compliance.

To the best of our knowledge, all Hana RFID Inlay products currently in production comply with the requirements of Regulation (EC) No. 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH), together with all subsequent amendments.

Specifically, our products do not contain any substances listed in the REACH Candidate List of Substances of Very High Concern (SVHCs) at concentrations exceeding 0.1% weight by weight (w/w) in any article, in accordance with Article 33 of the REACH Regulation and the Candidate List of SVHCs published by the European Chemicals Agency (ECHA) on 4 February 2026.

Please find the link to the European Chemicals Agency (ECHA) website, which contains the latest version of the Candidate List of Substances of Very High Concern (SVHCs):

www.echa.europa.eu/candidate-list-table

We greatly value our business with you and remain fully committed to providing excellent customer service and delivering high quality product solutions. Should you have any questions or require assistance, please contact your Hana representative or email us at sales@hanarfid.com.
